

West Bonner County School District #83

Goals 2013-2016

Student Learning Goals:

- Mathematics: By Spring 2016, student learning in the area mathematics will increase so that each school will score 4 out of 5 in growth and a 5/5 in achievement based on Star calculations. In addition, 65% of juniors will score at or above the college placement readiness score in math.
- English/Language Arts: By Spring 2016, student learning in the area English/Language Arts will increase so that each school will score 4 out of 5 in growth and a 5/5 in achievement based on Star calculations. In addition, 75% of juniors will score at or above the college placement readiness score in English and Writing.

Strategies to achieve these goals include:

- Implementation of teaching strategies that activate learning and engage students.
- Implementation of focused collaborative teaming within the school day (2013-14).
- Implementation of Idaho Core Standards
- Continuation of data use to inform instruction and intervention
- Celebration of actions that lead to district vision
- Communication and parent/community participation that promotes the district throughout the year.

Management:

To cultivate a safe nurturing environment

- Solve issues in a timely manner before they become patterns and problems.
- Manage fiscal and physical resources responsibly
- Comply with federal, state and board policies
- Ensure a safe and secure environment for staff and students that is conducive to teaching and learning.
